Start meeting on time
Be prepared with Agenda 1 week prior to post on Website
Cell Phones to Silent
Open Minded to Opinions and Conversations

Approve Minutes from 09/14/2022

2021-2022 ASPIRE and RISE Data Review

Katie Jo Martin is our Data Coach this year. She presented our DHMS Report Card. Our school is currently a "B" Grade. We are 2.7% away from having an "A" Grade.

She explained how we plan to increase our grade by focusing on the students who are classified as a "2". Those are the students that need a little bit more support in the classroom but might be a little more timid to ask for the help.

Intervention Data

Our intervention specialist contacted 81 8th grade students who had failing grades. Of those 81 students only 39 had an “F” at the end of the term.

Our intervention specialist contacted 83 9th grade students who had failing grades. Of those 83 students only 6 had an “F” at the end of the term.

School Goal Update

Currently we are focusing on goal #5

Students will feel valued as a person while attending DHMS. During passing time, at least 90% of our teachers will actively engage students in a positive way. Team Leads will report the frequency and effectiveness of hallway interaction during team lead meetings each month.

Other Business

Positive Behavior Plan
