## **2022-23 School Goals Update**

**Goal #1** This goal is measured using our quarterly CSIP reviews.

**Goal #2** This goal is aligned with our Interventionist. She makes plans with the students to help them reach proficiency.

**Goal #3** A majority of our teachers have grades updated by 3:00 on Friday.

**Goal #4 & 5** Our counseling center does weekly and monthly presentations to our classes. After the presentation the students are asked to fill out surveys. Based on those results we know what areas are concerns for our students and we focus on those needs.

**Discuss/prepare for the 23-24 STL/TSSA Budget Plans**

We will have the budgets ready at our next meeting.
