Inspiring and empowering all students to persevere, progress, and succeed.

- Preparing our students to be responsible and contributing citizens in our community
- Maintaining a positive school culture
- Collaborating with parents and community to ensure student success
- Providing a safe, enjoyable learning environment
- Promoting continual academic growth

### **Review STL and TSSA Reports**

#### **Other Items:**

No cell phone policy - going really well so far. The students have adapted very well.

Digital Hall Pass - Before students leave their classroom they have to sign out on a Chromebook. The Admin is able to see which students are in the hallways and the destination they are going to. It helps reduce the number of students that are in the hallways during class time.
